```

The diagram illustrates a file dependency structure. At the top, a gray rectangular box contains the text 'esApp/lib/GRBL/MODULE _GRBL13.2.h'. Two blue arrows originate from the bottom edge of this box. The left arrow points to a white rectangular box labeled 'Arduino.h'. The right arrow points to another white rectangular box labeled 'Wire.h'. This indicates that the top-level header file includes both 'Arduino.h' and 'Wire.h'.
